FULL TOUCH DISPLAY

The touch panel enables a complete control of the indoor unit.

AUTOMATIC FLAP CLOSING

When you switch off the indoor unit, the flaps automatically close and prevent dust particles from entering the room.

- Wi-Fi kit (optional)
- Touch display with integrated controls
- Fan with inverter motor; anti-dust filter included
- Power supply: single-phase 220v - 50 Hz or three-phase 400 V - 50 Hz
